GUAM Community Development Block Grant – Disaster Recovery Housing Program 5: Shelter and Transitional Housing Development

Gima' Siha Para Ayudo *Homes for Assistance/Supportive Homes*

This document provides guidance and is considered binding on the Guam Housing and Urban Renewal Authority (GHURA) until it is officially amended. It does not create any new requirements or penalties for those we serve, nor does it contain any confidential information or formal rules and regulations. If you believe this document imposes new requirements or penalties, you have the right to request a formal review.

Program Overview

Housing Program 5 is designed to preserve and expand shelter and transitional housing capacity; helping to address unmet housing needs. These facilities serve as an entry -point to homeless populations and in preventing homelessness.

Activities will be directly implemented by GHURA, with operations and services provided through partners in the government and Continuum of Care. All funded activities must demonstrate a clear and documented direct or indirect tie-back to Typhoon Mawar.
